

## ROYAL PET RETREAT LLC PUPPY CONTRACT

This document constitutes a legally binding agreement between Royal Pet Retreat LLC, otherwise known as seller and the buyer who is purchasing a puppy. Buyer agrees to provide adequate food, shelter, and care for the puppy for its entire lifetime. The buyer also understands that routine care and veterinary care will be costly and is able to meet these requirements. Seller is not responsible for veterinary care and expenses that may arise once the dog leaves the custody of the seller. To the best of the seller's knowledge, this puppy was in good health and free from any symptoms of contagious or infectious disease at the time of sale. The puppy was vet checked by seller's veterinarian before sale and a health certificate was obtained from a licensed veterinarian.

The buyer agrees that he/she is not acting as or is part of any representative in the purchase of this puppy and that the buyer will not sell the puppy or any of its offspring to any representative, laboratory, animal broker or pet store, or breeder. These are family pets, not breeding dogs. Puppies are sold with limited registration unless discussed prior to sale. Seller cannot in any way guarantee size, color, ear set, or coat type at maturity. The seller does not guarantee the ability of the puppy to show.

Seller is bound only to the original buyer, no warranties, either expressed or implied are made under this contract except as stated above. Buyer agrees to these terms and guarantees simply by the act of accepting the puppy, even if contract is not signed or returned. The deposit is a promise by the buyer to buy the puppy named above and a promise by the seller to hold the puppy for the buyer until it is old enough to be sent. **The deposit is non-refundable in the event the buyer changes their mind.**

In the event that any dispute shall occur between parties arising out of or resulting from the construction, interpretation, enforcement or any other aspect of the agreement, the parties hereby agree to settle all disputes through mediation/arbitration. If any legal action were to be necessary regarding this agreement or the puppy it refers to, by either buyer or seller, all such actions must be made and completed in the town and state in which the seller resides.

## PUPPY HEALTH GUARANTEE

The seller guarantees the puppy for 1 (one) year from the date of birth against life-threatening congenital or hereditary defects. If the puppy has a life-threatening congenital or hereditary defect which has been diagnosed or examined by 2 unassociated veterinarians to seriously impact the quality of life or warrant euthanasia; the seller will provide the buyer with a new puppy with similar traits upon availability. In this circumstance the buyer must return puppy to the seller. The seller is not responsible for miscellaneous problems which can be preventable such as hypoglycemia, coccidiosis, giardia, parasites, types of bacterial infections, and certain disorders that may be caused by environmental factors such as allergies, thyroid dysfunction, mange, and other autoimmune disorders. Vaccine injuries or reactions will not be covered. Hernia repairs or retained testicles do not warrant return of monies as they are not life threatening.

If you have questions about your puppy after purchase, feel free to contact us and we will answer them as best we can. We take pride in our puppies and hope to build a relationship with you so we can see them as they grow up. We love picture updates and appreciate you taking the time to send them to us or post them on our Facebook page. They mean a lot to us since we spend a lot of time with these babies before they reach you!
